

BELGIAN AUDIO-VISUAL MISSION OCTOBER 26 & 27

PRODUCTION POST PRODUCTION VISUAL EFFECTS

The following Belgian companies all wish to connect with Canadian Producers to discuss collaboration.

[ACE Image Factory](#)

We offer a full VFX service and cover all aspects of post-production. We work on a wide range of productions such as feature films, shorts, commercials, documentaries, TV series and other audiovisual projects.

[Barco](#)

We are a global technology company, we design and develop networked visualisation products for the entertainment, and enterprise markets. Products include postproduction, digital cinema, simulation, venue, and virtual reality projectors, as well as visual display systems, 3D sound and software.

→ B2Bs with studios looking at updating their visualisation products

[Belvision](#)

We are an audiovisual company located in Belgium and France, and specialise in co-production of feature films and television, with strong focus on 2D and 3D animation, special effects, virtual sets and transmedia. We have an animation distribution company 'Mediatoon' in our group.

[Scoring Flanders](#)

Brussels Philharmonic was founded in 1935 and since then the orchestra enjoys an excellent international reputation. Our spin-off Imuze facilitates the recording of soundtrack for movies, series and games. International recognition has come in the form of the Oscar-winning score for The Artist. We also performed music for The White Queen (BBC series), The Aviator and the trailer of Assassins Creed 4.

→ B2Bs with recording studios, post-production studios, music agencies for soundtrack composers, production houses for film, broadcast, series and games

[Entre Chien et Loup](#)

Founded in 1989, we are an audio-visual production company specialised in fiction and documentaries.

[Eye-Lite Brussels](#)

We are a leading rental equipment company with over 50 years of experience in the Benelux, and also work in France. We rent and sell camera, lighting and grip equipment for commercial, feature film and TV productions. We offer studio facilities and have a complete range of generators and a variety of vans and trucks.

→ B2Bs with rental equipment companies to discuss collaboration

[Frakas Productions](#)

We are a production company and produce feature films, TV series and animated films. We are very active in international co-productions.

[Kweb](#)

We are consultants in transmedia architecture, cross media marketing, creative financing and new media projects. We are also producing multi platforms narrative and application projects.

→ B2Bs with potential partners for transmedia projects and with service providers

[Living Stone](#)

We develop and coproduce films and television projects with our international network of relationships and partnerships. We were a coproducer for the acclaimed BBC-HBO series Parade's End starring Benedict Cumberbatch.

[Popiul](#)

An independent audiovisual production company created in 2011, we produce short films and documentaries. We currently have three films in development.

→ Find partners for our films under development: 2 long feature dramas & 1 documentary

[Ring Productions](#)

We specialise in the development and production of feature length films for the European and international market. Our films have received numerous awards, including Best European Film for Children.

[RubyKub Agency](#)

Rubykub Agency produces creative content in-house: commercials, prints, live events and serious games.

[Scope Pictures](#)

We are Belgium's most prolific and successful financing and production company. We are highly experienced in financial participation, co-production and in the executive line production of film and TV.

[Sputnik Media](#)

We offer a broad variety of formats in most genres, from fiction and comedy to reality, factual entertainment and kids' shows. We have offices in Belgium and The Netherlands.

[Sunday Pistols](#)

Our goal is to promote and distribute audiovisual work related to Geek Culture, New Media and Transmedia.

→ B2Bs with organisations and groups active in New Media and Transmedia

[Tarantula](#)

We are an audiovisual production company specialised in the production of arthouse feature films. We produced and co-produced 33 feature films since 2002. We currently have two long feature films in development for which we are looking for partners in Canada.

→ Find partners for our two films in development: co-producers, distributor and agent

[The Fridge.tv](#)

We are a specialist in visual effects, motion graphics and 2D/3D animation. Services consist of vfx set supervision and shooting, editing, vfx, 3D, motion graphics, compositing, online editing, colour grading and 3D for print.

[Umedia Group](#)

We are an international film group with offices in LA, London, Paris and Brussels. We have produced over 240 films, including The Artist, John Wick, Grace of Monaco and The Best Offer. Our VFX division amassed over 30 international film credits to date and focusses exclusively on feature film and TV series.

[Versus Production](#)

We have 15 years of experience in the film industry and are a solid partner for international coproductions. We also own a Tax Shelter and a distribution company.

[Zilvermeer Productions](#)

We are the Galaxy Studios Group production house and develop, produce and co-produce film and TV-projects. We act as a Pan European co-producer and continue to develop our position as a quality Benelux production house.

SUPPORTING ORGANISATIONS

[Centre du Cinema et de l'Audiovisuel](#)

Supports and promotes audio-visual work.

[Flanders Audiovisual Fund / Screen Flanders](#)

We support audiovisual production in, as well as international co-production with, Flanders. We offer support at various stages of production. We also cover the Screen Flanders Economic Fund and Film Commission.

→ Inform Canadian companies on production in Flanders

[Flanders Film Funding](#)

We are the only independent Tax Shelter company in Flanders. It is the link between local audiovisual production companies and investors using the federal Tax Shelter legislation.

→ Provide Canadian companies with information on tax shelter and audiovisual productions in Flanders.

[ImageBrussels](#)

We are an audiovisual fund supporting audiovisual production in Brussels. We act as co-producer for full-length feature films, television films, documentaries, animated films and web series which work with talents and technicians from Brussels during production or post production.

→ Identify potential partners to connect Brussels based audiovisual professionals and industries to Canadian producers, directors, distributors, sales agents, broadcasters, ...

[Le Pole Image de Liege \(PIL\)](#)

We are a federation of audiovisual service providers, and aim to develop the industry by setting up infrastructures and providing financial incentives. We have a 20,000 m² technical center for the creative industries, including shooting equipment and studios, animation studios, VFX, sound and image post-production, and coproduction facilities.

→ Meet Canadian producers interested in co-productions

[Tax Department, Belgian Ministry of Finance](#)

We present the Belgian tax shelter to all interested parties, and are available to answer any fiscal question you might have.

[Wallimage](#)

Wallimage is an economical fund which supports audiovisual productions and enterprises. Our subsidiaries invest in films and in companies. We support productions investing in Wallonia.
