CANNES, FRANCE

WHAT IS THE MARCHÉ DU FILM?

The Marché du Film is the market component of the Cannes Film Festival. The Marché du Film is the most important event in the industry and the leading meeting place for film professionals, including producers, theatrical distributors, sales agents and festival programmers. Last year, 11,700 participants from 108 different countries attended this market.

WHO CAN APPLY?

CREATIVE BC will be accepting applications from BC resident producers or sales agents with completed films seeking international distribution and/or producers whose companies have a significant slate of feature projects in active development and are ready to pitch to international financiers and distributors. Priority will be given to producers registered to attend through Telefilm's Canada Pavilion. In addition, producer applicants must have, at minimum, one produced feature film credit. CREATIVE BC will be able to provide travel support for up to 8 BC residents. Producers or sales agents invited to screen at the Festival do not automatically qualify for the Passport to Market program.

CREATIVE BC will provide up to a maximum of \$2,500 to offset market registration, travel and accommodation costs. Support is only available to one individual per company.
