BC MUSIC FUND

What is the BC Music Fund?

The BC Music Fund is a \$15-million grant from the Province of BC to support the growth and activity of the BC music industry. These funds will be administered by Creative BC over a two year period.

GOALS OF THE BC MUSIC FUND

1

Attracting direct investment in BC's music industry

2

Enhancing live music opportunities for performers and audiences

3

Stimulating the creation and retention of jobs within BC's music industry

4

Encouraging increased music activity in regional centres

5

Promoting BC's music and talent on the national and global stage

6

Establishing relevant benchmarks and metrics to measure impact

SOUND RECORDING PROGRAM

What is the Sound Recording Program?

- The second program to launch; an extension of the Sound Recording Pilot Program
- Aims to attract business to BC recording studios
- Provides applicants up to \$75,000 for BC-based sound recording projects
- Sound Recording Program budget: \$3 million

Who can apply?

- Music companies that are incorporated or registered as a business in BC, producing a sound recording for commercial sale, that own or control the master recording

SOUND RECORDING PROGRAM

Eligible applicants may apply for a grant to cover 50% of sound recording expenses in BC, to a maximum of \$75,000. Sound recording budgets must be \$3,000 or higher.

Eligible costs are recording activities that take place in BC, that are third party expenses, incurred on or after May 1, 2016.

Funding is first come, first served, until the \$3 million budget is fully committed.
